Letter of Recommendation

To Whom it May Concern:

I am writing to wholeheartedly recommend Henry Fowobaje for the Cadence Diversity in Technology Scholarship Program. Henry is an outstanding student with exceptional qualities that make him a deserving candidate for this scholarship opportunity.

I had the privilege of teaching Henry in my Data Structures & Algorithms and Sophomore Seminar classes, where he demonstrated exemplary academic performance. He not only excelled in coursework but also exhibited a deep understanding of complex concepts and a strong aptitude for problem-solving. His dedication and enthusiasm for the subject matter were evident in his consistent high achievement and active participation in class discussions.

Henry's journey from Nigeria to the United States reflects his determination and work ethic. Despite facing personal challenges, such as the loss of his father, he has remained resolute in his pursuit of excellence. His dedication to technology is evident through his achievements, including participating in prestigious competitions like the HBCU Battle of the Brains and interning at Microsoft.

Henry's dedication to diversity in technology is evident not only through his academic achievements but also through his active involvement in initiatives promoting inclusivity in the field. He possesses the qualities of a true leader, always seeking opportunities to create a positive impact and foster diversity.

In summary, I wholeheartedly endorse Henry Fowobaje's application for the Cadence Diversity in Technology Scholarship Program. His resilience, commitment to academic excellence, and passion for technology make him an exemplary candidate for this scholarship. I have no doubt that Henry will continue to make significant contributions to the field of technology and inspire others through his journey.

Please feel free to reach out to me if you require any further information or have specific questions about Henry's qualifications. I am more than willing to provide additional insights to support his application.

Thank you for considering Henry's request for a recommendation letter, and I wish him the very best in his pursuit of this scholarship opportunity.

Sincerely,

Dr. Ning Zhang 
Assistant Professor in Computer Science
Discipline Coordinator of Data Science
